Design Service

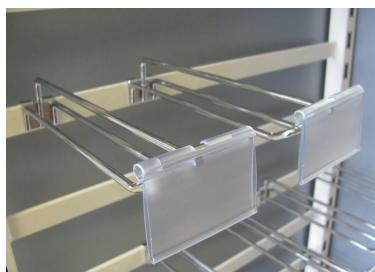

At Shopfit we provide an extensive design service to cater for all outlet sizes. We will work closely with you from initial inception, right through to completion. We can design solutions to fit any budget and we provide free estimations. So for whatever you need, why not call our sales team today on 02830 835531 and we will be happy to assist.

We at Shopfit use Tegometall metal shelving, the industry standard and by far the largest manufacturer of modular shelving systems in Europe. Tegometall Shelving is currently the world's leading shop and retail display shelving system.

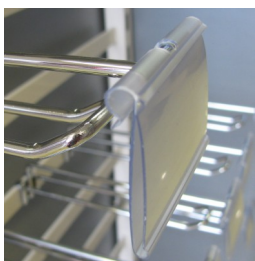

Its flexibility, strength, versatility and appearance make it possible to cater for any product range and shelf density. The combination of our expertise and the unrivalled versatility of Tegometall is hard to beat. From heavy outdoor storage to small parts behind the counter, Shopfit has the answer.

Slatwall Systems-Panels & Inserts

Slatwall Panels

Slatwall, an extremely versatile system at an affordable price. Panels are available in a variety of finishes and can be used with a wide range of accessories. A range of inserts are also available for that finishing touch.

Laminated

We can supply any specified laminate to be applied to the high-quality MDF panels. We provide melamine-faced slatted panels in a variety of realistic woodgrain finishes or for a modern edge an acrylic mirror finish.

Wood Veneer

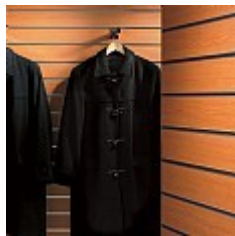

Stock panels are manufactured in any wood veneer finish either sanded or lacquered, grooved or ungrooved.

Spray Finishes

Panels can be supplied ready-sprayed with virtually any painted finish of your choice. We can match any BS, RAL colour or corporate 'house' colours.

Slatwall Systems-Panels & Inserts

We can supply a full range of inserts for slatted panels. Choose from either PVC or aluminium according to your visual or practical requirements. Shapes L-Section inserts are available as either clip-in PVC or slide-in aluminium inserts. L-Section PVC inserts offer the more flexible option as colours can be interchanged to match displays once the panels are in place. Aluminium T-Section and L-Section inserts must be fitted prior to installation.

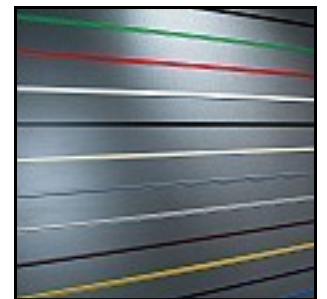

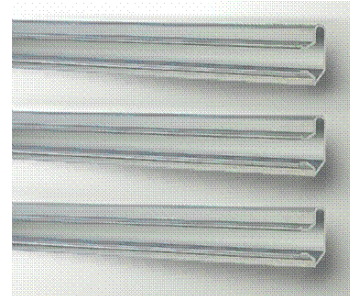

Please note we can supply made to order shelves in any size to match the slatwall finishes

Shopfit supplies a full range of inserts for slatted panels. Choose from either PVC or aluminium according to your visual or practical requirements. Shapes L-Section inserts are available as either clip-in PVC or slide-in aluminium inserts. L-Section PVC inserts offer the more flexible option as colours can be interchanged to match displays once the panels are in place. Aluminium T-Section and L-Section inserts must be fitted prior to installation.

PVC inserts are available in a choice of colours for a variety of mix and match combination. Anodised or powder-coated rigid aluminium are ideal for heavy-duty applications. Profiles PVC profiles can be supplied from stock in Cream, Dark Grey, Brushed Silver, Grey, White, Ash, Oak, Beech and Maple designed to complement our standard range of slatted panels. Plastic inserts also available with mirror backing for a different look

Business Card Holders

Book Stand

Snap Frames

Front opening snap frames allow graphics to be changed quickly and easily without having to use tools or remove the frame from the wall. Snap frames are perfect for items that need to be displayed professionally and changed often.

All four sides of the frame 'snap' open to allow easy access. Snap frames are ideal for displaying posters or point of sale material in places such as Retail Outlets, Bars and other public places.

Banner Snap Frame

This system is ideal for displaying indoor graphics for promotions and information. This comes with a snap open snap shut mechanism to allow for easy changing of graphics. Top banner snap comes with two hooks and the bottom is weighted so it hangs well. These look great hanging from the ceiling or for window display. Standard finish anodised silver.

Wind Master

With a heavy plastic base – which can be filled with water or sand to give extra weight to the stand. Mitred corners and also has:
 Wheels on one side to enable stand to be wheeled to location.
 Poster on both sides, available in sizes A1 and AO.
 Quick poster change, snap open, snap shut frames.
 Water fillable base with inbuilt wheels for positioning flexibility.

A Frame

Modern look in brushed aluminium. Ideal for display in all weather conditions. The frame simply snaps open on all four sides. Place your posters beneath the clear protective sheet and snap the frame closed again.

Store Signage-Cable Display & Suspension Rails

Suspension rails and Frames are an innovative way to display indoor graphics and signage. Aluminium connectable tracks 2000mm in length for suspending price or promotions from the ceiling using frames.

Perfect for merchandising over Mid Floor Display's, Mid Floor Freezers, Fruit & Vegetables or for use at Serve Over Counters.

2m Suspension Rail

A4 frame with clips

4m Cable Kit

Cable Display

We can supply superb range of cable display to suit all types of wall and window displays for shops, offices, banks, restaurants and exhibition and many more. We also have available acrylic panels which are perfect for window displays, combined with the cable systems this is a contemporary solution

Chrome Mini Clip

Acrylic Pocket

Store Signage-Frames

Our wide range of self-standing poles and bases offer an excellent option for highlighting in-store promotions. We offer a range of options such as plastic or metal bases for use in freezers. Our poles are height adjustable to cater for various styles of fridges/freezers. We also have clip on options and magnetic bases for added versatility in refrigerated units for example: Dairy Cabinets and Fruit & Vegetable Cabinets. Whether you require adjustable poles with base, magnetic base or clip on we can supply all you require for a professional and attractive display aid.

Swivel Clamp for Frames

Bottleneck Holder

Telescopic Pole

Store Signage-Aisle/Category Signage

This is an eye-catching way to organise and merchandise your products. The sign when knocked will move so as to avoid damage and then re centre itself. This makes it the ideal category signage solution for store aisles or refrigeration.

There are two variations one which works as a clamp and one which is magnetic. The magnetic version rests on the top of the shelf, when the clamp version wraps around the data strip and screws on to the shelf. Average signage depth 150mm to 180mm and height could be up to 1.5m if required. Recommended, one bracket per 300mm up to a maximum of three for the largest sign.

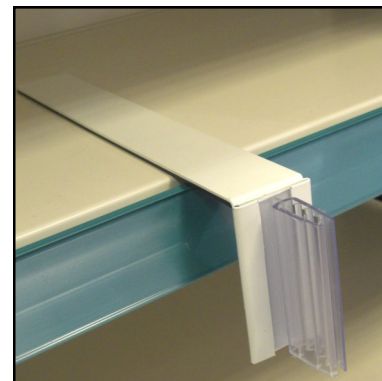

**Magnetic Hanging
Category Signage Holder**

**Magnetic Hanging
Category Signage Holder**

**Magnet to Shelf
Category Signage Holder**

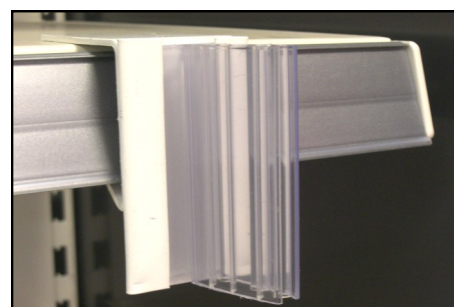

Tube with bend and magnetic foot for use on the upper side of a shelf. Includes: Magnet, 2 integrated hooks and end cap. Maximum signage weight: 0.5kg

Aisle Sign Holder

Aisle sign kit for uprights. Includes: Upright fixture, telescopic device, 2 integrated hooks & end cap. Tube diameters: 12 and 9mm. Adjustable from 605 to 750mm.

**Clamp to Shelf
Category Signage Holder**

Call our sales Team for advice on any of the products

Canopies

This is an excellent way to highlight Special Offers and Promotions. Metal canopies horizontal or vertical which take inserted prints to embellish shelf sections, over refrigerated units or as in the case of the photos, end displays.

Available in Convex, Concave or Flat versions. Canopies can also be made to take a range of material inserts such as PVC, AO Board or Foamex in various depths of thickness. Totally compatible with Tegometall and Eden shelving systems.

Any other punched or folded metal requirements can be catered for on a bespoke basis.

Prices on application. Call our Sales Team today.

Terms and Conditions

1. DEFINITIONS:

Shopfit : Unit 8D Loughway Business Park, Newry, BT34 2TH
"the Contract" any contract for the supply of Goods and/or Services by Shopfit to the Customer.
"the Customer" any customer of Shopfit to whom Goods and/or Services are supplied by Shopfit under the Contract.
"Goods" any goods to be supplied by Shopfit to the Customer under the Contract.
"Price" all charges expenses and other sums due to be paid by the Customer to Shopfit
"Services" any services to be supplied by Shopfit to the Customer under the Contract.
"Quotation" any offer by Shopfit for the provision of the Goods and/or Services to the Customer.
"Terms" the terms and conditions set out in this document and any additional terms and conditions agreed in writing by Shopfit and the Customer.

2. ACCEPTANCE:

2.1 These Terms exclude all other terms and conditions including any implied by a course of dealing between Shopfit and the Customer. Any variation of these Terms is only valid if agreed in writing by a Director of Shopfit.
2.2 The Customer is deemed to have accepted the Terms when it accepts Shopfit's Quotation.
2.3 For the avoidance of doubt, these Terms are to be read in conjunction with the provisions of the Unfair Contract Terms Act 1977, the Sale and Supply of Goods Act 1994 and the Unfair Terms in Consumer Contracts Regulations 1994 or any statutory modification thereof. Nothing in these Terms shall affect the statutory rights of a consumer.

3. QUOTATIONS:

3.1 Quotations are valid only for 30 days from the date of issue unless agreed in writing by Shopfit. Any items not specified on the Quotation but requested by the Customer at any time will be charged in addition.
3.2 Value Added Tax and any other taxes government charges or customs duties are not included in the Price and will be charged separately.
3.3 Carriage charges are not included in the Price and will be charged separately. Shopfit reserves the right to vary the carriage charges from time to time.
3.4 The Price shall be paid to Shopfit not later than 30 days after the date of Shopfit's invoice. Time shall be of the essence for payment. If the Customer does not pay within such period then Shopfit may make a surcharge for allowing credit to the Customer between the invoice date and the date of actual payment by the Customer at the rate of 8% above the Bank of England base rate from time to time on the amount outstanding after as well as before judgement.
3.5 Should for any reason Shopfit be unable to trade on a credit account basis the Customer will be advised of the terms and method of payment at the time the order is received by Shopfit. In such cases the order will not be processed until payment to the full value of the order is received by Shopfit.

4. DELIVERY:

4.1 Unless otherwise agreed in writing time is not of the essence of the Contract but Shopfit undertakes to use its reasonable endeavours to supply the Goods and/or Services in a reasonable time. Any time or date for delivery made by Shopfit is an estimate only and Shopfit shall not be liable for the consequences of any delay.
4.2 Shopfit reserves the right to make delivery by instalments. In such event each delivery shall constitute a separate Contract.
4.3 Unless otherwise agreed in writing delivery of the Goods and/or Services shall be effected at the place set out in the Quotation.
4.4 Signature of Shopfit delivery note shall be conclusive evidence as to the quantity and quality of the Goods delivered unless within 7 days of receipt of the Goods notice is given to Shopfit of any errors in quantity and the Customer acknowledges that this period will give him a reasonable opportunity to examine the Goods.
4.5 In respect of any variation in colour of Goods supplied from the colour specified on the Quotation the Customer must return the Goods to Shopfit within 14 days of the date of delivery. If there is a variation in colour then Shopfit only liability shall be to re-supply the Goods to the Customer and pay for the reasonable extra transportation costs involved in returning and re-supplying the Goods. If the Goods returned comply with the colour specified in the Quotation then the cost of transportation to Shopfit and the return of the Goods to the Customer shall be for the Customer's account.
4.6 In the event that a Customer wishes to return the Goods as a result of any error by the Customer in the order for the Goods, then the Customer is responsible for returning the Goods at his own cost to Shopfit and such return of Goods may be subject to an administration Charge.

5. INDEMNITY:

5. If Shopfit supplies Services under the Contract at a place other than its own premises then the Customer shall be responsible for ensuring that the site where the Services are to be provided is prepared for the provision of the Services to the satisfaction of Shopfit (in the case of

retail outlets this would include clearing the site of the Customer's goods) and the Customer will indemnify Shopfit against any loss, damage or delay arising as a result of poor site conditions.

6. RISK AND PROPERTY:

6.1 The risk in the Goods shall pass to the Customer upon delivery but the full legal and equitable ownership in all Goods supplied by Shopfit whether under the Contract or any other contract shall remain in Shopfit until payment in full has been made. Until Shopfit is paid in full for the Goods the relationship of the Customer to Shopfit shall be fiduciary in respect of the Goods and the Customer shall clearly identify the Goods as being the property of Shopfit.
6.2 Shopfit shall be entitled forthwith to recover and re-sell any such Goods to which Shopfit has title and to enter upon the premises of the Customer with such transport as may be necessary for that purpose if the Customer commits any default. The expression "default" shall include (but not be limited to) failure to pay Shopfit on the due date, the appointment of a receiver of the Customer's business, or the presentation of a petition to wind up the Customer. If the Customer makes default in any payment then Shopfit shall have a lien for any amount outstanding to Shopfit on any goods the property of the Customer which may remain in the possession of Shopfit or its agents.

7. WARRANTIES:

7.1 Unless otherwise agreed in writing and signed by a director of Shopfit, Shopfit shall not be liable for any recommendations, advice, opinion or statement given or made by Shopfit, its servants or representatives.
7.2 Shopfit will not in any circumstances be liable for any losses or damage direct or indirect or consequential sustained by the Customer which may in any degree be attributable to the adoption by the Customer or any third party or technical information, data or advice given by or on behalf of the Customer in relation to the use of the Goods. For the avoidance of doubt, this sub-section is totally ineffective in respect of negligence resulting in death or personal injury.
7.3 For the avoidance of doubt Shopfit hereby absolves itself from any liability in respect of any damage caused by unauthorised alterations to the Goods after delivery.

8. EXCLUSION AND LIMITATION OF LIABILITY:

8.1 Where Shopfit supplies Goods under the Contract save in so far as defects in those Goods cause death or personal injury Shopfit liability shall be limited as set out in clauses 8.2, 8.3 and 8.5 below.
8.2 Where Shopfit supplies Goods under the Contract and those Goods cause loss or damage to the Customer's property Shopfit's liability shall not exceed the lower of the value of the property lost or damaged (or its repair cost, whichever is the lower) and £100,000.
8.3 Where Shopfit supplies Goods under the Contract and such Goods subsequently suffer loss or damage or deterioration caused by the negligence of Shopfit or its employees or agents acting under its control then Shopfit's liability shall be limited to replacing those Goods lost or damaged.
8.4 Where Shopfit supplies Services under the Contract save in so far as the provision of those Services causes death or personal injury caused by the negligence of Shopfit or its employees or agents acting under its control then Shopfit's liability shall not exceed the lower of the value of the property lost or damaged (or its repair cost, whichever is the lower) and £1,000,000.
8.5 In no circumstances shall Shopfit be liable for any consequential or indirect loss or damage of the Customer arising from any liability of Shopfit.

9. FORCE MAJEURE:

9.1 Neither Shopfit nor the Customer shall be liable for any failure to perform any part of the Contract if performance has been delayed hindered or prevented by any circumstances whatsoever which are not within the control of the party which is hindered delayed or prevented and are not preventable by reasonable diligence on its part.
9.2 Without limiting clause 9.1 above neither Shopfit or the Customer shall be liable for any failure to comply due to any order or request of any National, Provincial, Regional or Local Authorities or for any delays caused by strikes, lockouts, Act of God or any other event beyond its control. If Shopfit NI is at any time delayed hindered or prevented from delivering in whole or in part of the Goods and/or Services, then Shopfit shall be at liberty to withhold, suspend or reduce delivery to such extent as is reasonable in all the circumstances. The Customer will then be liable for a rateable proportion of the Price. In no circumstances shall the Customer be entitled to rescind the Contract on the grounds of the failure by Shopfit where the provisions of this Clause 9 apply.

10. TERMINATION:

If the Customer commits a breach of these Terms or being a company a resolution or petition for its winding up is passed or presented or a receiver appointed or an administrator is appointed (or if an individual commits any act of bankruptcy or enters into a composition with his/her creditors or suffers any execution to be levied on his/her goods) or is the subject to any action which in the reasonable opinion of Shopfit is prejudicial to the interests of Shopfit, Shopfit shall be entitled in its absolute discretion to terminate the Contract or suspend its performance and all sums due to Shopfit from the Customer shall become payable forthwith.
